

Sermon Study Questions: Revelation 22

1. Identify one takeaway for you through our study in Revelation.
2. The imagery ends with a River and a Tree. What's the power in those two pictures? What might they remind you of? What do they mean in the promise of the Life to come?
3. Describe what the 'healing of the nations' might look like.
4. How do people 'add to' or 'take from' the Scriptures? What are the warnings against each error?
5. What stirs within you when Jesus says "Yes, I am coming soon."?
